

**Snabbkoppling stål  
galvaniserad 108 mm x DN100  
hona del Perrot x fläns PN16  
type Perrot (0218504)**

# TEKNISKA SPECIFIKATIONER

|              |                         |
|--------------|-------------------------|
| Typ          | Perrot                  |
| Material     | stål                    |
| Ytbehandling | galvaniserad            |
| Anslutning   | hona del Perrot x fläns |
| DIN Standard | DIN 2632                |
| Fläns        | PN16                    |
| Norm         | DIN 2632                |
| Hål          | 8                       |
| Storlek      | 108 mm x DN100          |
| Längd        | 346 mm                  |
| PCD          | 180 mm                  |
| Bulthål      | 18 mm                   |

## DIMENSIONER

|     |        |
