

# Hunter Manometer type MP (7032571)

**Hunter®**

# TEKNISKA SPECIFIKATIONER

Typ

MP

## PRODUKTINFORMATION

Best in the market to help you find the operating pressure at a spray head. It consists of a Hunter pressure gauge attached to an adaptor. Customers can use the MP manometer to determine the pressure of an existing system during an audit or to better understand system conditions during a sprinkler related field issue call.
